ANNUAL REPORT
2015-16

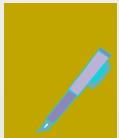

"Sport has the power to change the world...it has the power to inspire. It has the power to unite people in a way that little else does.

It speaks to youth in a language they understand. Sport can create hope Where once there was only despair. It is more powerful than Government in breaking down racial barriers."

Anurag Thakur

President HPCA
President BCCI

Looking back at 2015, so many moments and events served as milestones for Himachal Pradesh Cricket Association that made all of us proud. These milestones would not have been possible without the power of the collective force that has been driving the progressive growth of the association.

The season has witnessed many high points such as hosting Paytm series 2015, ICC Men and Women T-20 World Cup and BCCI's first ever conclave. Taking a step further, the association also went beyond cricket in order to create the required awareness and bring positivity by taking initiatives such as Swachh Himachal campaign, International Yoga Day and International Olympic Day.

Swachh Himachal campaign was one of the most successful campaigns, which mobilised hundreds of school children. To motivate school children to participate in the campaign led towards the betterment of the society, various students were invited to watch ICC T-20 World Cup matches live in the stadium as an incentive for their dedicated contribution. Additionally, in the second phase of the campaign, India's best selling author Chetan Bhagat was invited for an interactive session with the students. Chetan Bhagat's visit was very well received by the students, as amidst Swachh Himachal campaign, he also gave them insights into his life and how he became an author. The intent was to encourage children to believe in their dreams and work towards realizing the same.

Moving further, the International Yoga Day was celebrated at HPCA's indoor stadium that hosted ace cricketer Harbhajan Singh and witnessed presence of close to 300 people. The participants hailing from various walks of lives ranging from housewives, youth, professionals, Rotary club, Lion's club, Himalayan Heritage Foundation, Patanjali Ayurved, Art of Living, Bharat Tibbat Sahyog Manch, etc were seen at peace while practicing yoga.

On a similar note, International Olympic Day was celebrated by HPCA by organizing an Olympic run starting from the stadium. Over 200 children participated in this run that was aimed at encouraging and motivating them to lead a healthy lifestyle.

All these initiatives highlight the efforts undertaken by the association and its members to promote the game of cricket in the State. It further showcases the humane side of the association and its responsibility towards the people by fostering issues beyond the realms of cricket.

I would like to thank all the members, staff and other stakeholders for the unflinching support in making all the efforts translate into tangible outcomes.

Hony. Secretary HPCA

It is a matter of immense pleasure for me to present this compilation of the Annual Report of the Activities of Himachal Pradesh Cricket Association for the season 2015-16. Although, I may not be with you in the Annual General Meeting for the year 2016 due to my assignment with the India A team. However, I thank all of you for being whole heartedly with me in every endeavour of HPCA.

The season has witnessed a host of activities ranging from organizing matches, camps, and conducting educational programmes for the professionals and also infrastructural development. But, the most important of all was the successful organization of the ICC Men and Women T-20 World Cup, T-20 International featuring India and South Africa and also the Hosting of First BCCI Conclave. I on behalf of the entire HPCA family want to extend heartfelt congratulation to Sh Anurag Thakur for being unanimously elected as the President of BCCI. I, congratulate everyone associated with HPCA for this unique accomplishment.

FREEDOM SERIES

Oct 2 - Dec 7, 2015

NO SOCIETY CAN POSSIBLY BE
BUILT ON A DENIAL OF
INDIVIDUAL FREEDOM.

Mahatma Gandhi

In the current violence ridden times full of turmoil and turbulence, peace and freedom are certainly at stake. It is important to listen to the voices of Mahatma Gandhi and Nelson Mandela- who have been and would always be two of the most important visionaries of the bygone century. It was very opportune to name India-South Africa series as Gandhi-Mandela Freedom series. The first T20 match of the series was played in Dharamshala on 2nd of Oct 2015, 146th birth anniversary of father of the nation. In this high voltage cricketing extravaganza, South Africa beat the host team by seven wickets with two balls remaining. A nail-biting finish indeed!! In the lush green grounds with might Dhauladhars as its backdrop, the turn up of the crowd was immensely encouraging for the teams. Among the cheers of the crowd Rohit Sharma scored a ton on the HPCA cricket ground. For the record, it was debut match for the new cricketing star on the Indian firmament, S. Arvind.

OUR SINGLE MOST IMPORTANT CHALLENGE IS THEREFORE
TO HELP ESTABLISH A SOCIAL ORDER IN WHICH THE
FREEDOM OF THE INDIVIDUAL WILL TRULY MEAN
THE FREEDOM OF THE INDIVIDUAL.

Nelson Mandela

The occasion became historic for one more reason. BCCI launched a specially minted toss coin which will be used by India and South Africa for all the formats of the game played between two countries for perpetuity. This 20 grams gold plated sterling silver coin features images of Gandhi and Mandela as Heads and the Freedom Series as Tails. Anurag Thakur commented that "this coin will keep reminding everyone about the teachings of both the great leaders and also the strong bond India and South Africa share historically."

The sixth edition of the ICC World Twenty20 championship was held in India from 8 March to 3 April 2016, Dharamsala was announced as one of the eight venues of the event. HPCA stadium had the privilege of hosting thirteen matches of ICC T20 World Cup, including warm up matches. Not only did the crowd witnessed the splendid show of Men's cricket, it also cheered warmly for the Women ICC T20 world cup matches held in Dharamshala. Over the years, HPCA stadium, Dharamshala has scaled newer heights over the years. Flawless organization of this series added one more feather to its cap and justified its nomination as one of the six new test venues in India.

Conclave is an occasion for sitting together, reflecting together, brainstorming together and planning together for a better future. The newly elected President of BCCI came up with a vision to organize a conclave of BCCI officials and various stakeholders as an annual event. The very first BCCI Annual Cricket Conclave was held from 21-24th June 2016 in Dharamshala. It included all the BCCI members, Ranji coaches and captains, along with media managers from all the State Cricket Associations .

A series of important decisions were taken during this four day conclave. Key decisions were as under:

- a. Approval of appointment of Anil Kumble as Head Coach of the Indian Cricket Team .
- b. Technical Committee recommendation to hold Ranji Trophy matches at neutral venues was approved.
- c. BCCI will explore the option of hosting Mini IPL overseas in September.
- d. Working Committee approved the following suggestions of the Junior Committee.
 - Under 19 Cricketer can represent India only once in the ICC Under-19 World Cup.
 - Any player entering the system at Under 19 stage can play only two seasons of Under 19 cricket.
- e. To popularize Test Cricket, BCCI will have a separate marketing budget in the coming season.
- f. The BCCI and the State Units will work together towards promotion and marketing of International matches.
- g. BCCI will enter into Venue agreements with the associations hosting international matches in the coming season, defining their roles and responsibilities and minimum standards required.
- h. Working Committee decided to start a new T20 league in place of Syed Mushtaq Ali Trophy. Firstly, all state teams will play an Inter zonal league in their respective zones. All five zones selecting a zonal side to play an Inter Zonal League will follow it.

BEYOND CRICKET

Other than furthering the cause of cricket, HPCA has been contributing to the society in myriad ways. Year 2015-16 has not been an exception in this regard.

पढ़ाई भी सफाई भी

With an intent to supplement the efforts of Government of India's Swachh Bharat initiative, and committed completely to the Gandhian maxim, 'cleanliness is next to godliness', HPCA launched SWACHH HIMACHAL Abhiyan (Clean Himachal Campaign) on March 2, 2016. We believe that such initiative has to focus young people who act as key drivers of change. Keeping this in mind, the tagline for this campaign was: Padhai bhi Safai bhi (studies along with and cleanliness). Mayank Dagar, the left arm spinner of U-19 World Cup team, became the face of the campaign. Spread over all the twelve districts of Himachal Pradesh, the campaign aimed at creating awareness and understanding among youth about the current sanitation situation of the State and thereby seeking their participation to work towards betterment of the society. To motivate and incentivize the youth, various opportunities were offered such as a chance to watch live T-20 matches at HPCA stadium. A stimulating and interactive session with youth icon and the world-renowned author Chetan Bhagat also motivated young people for this campaign. Thus HPCA became the first cricket association in India to work towards Swachh Bharat initiated of the Government of India.

Earlier, a slogan competition for school children was organised to raise awareness for cleanliness. The winners were given free passes for T20 World Cup matches.

INTERNATIONAL YOGA DAY 21 June

Yoga is not just a set of exercises but it is a journey of the self, to the self and through the self. Realizing this fact, an international day for yoga was declared by the United Nations General Assembly (UNGA) in 2014 and since 2015, June 21 is celebrated as Yoga Day. On June 21, 2016 HPCA organized a yoga camp in the indoor stadium, where around 300 people gathered for the event. The participants hailed from various walks of lives ranging from housewives, children, youth and working professionals. A number of community based organizations such as Rotary club, Lion's club, Himalayan Heritage Foundation, Patanjali Ayurved, Art of Living Foundation, Bharat Tibbat Sahyog Manch and others participate in this grand event. Ace cricketer Harbhajan Singh and HPCA President Sh. Anurag Thakur were present for the event to motivate the participants.

Olympic Day run

While HPCA is committed to the cause of cricket, we also make efforts to popularize other sports as well. Celebration of the World Olympic Day on 23rd of June, 2016 in the HPCA Cricket Stadium was a modest effort in this direction. Around 200 children gathered for the Olympic marathon. Sh. Anurag Thakur encouraged the student to engage in exercise of any form and adopt yoga or sport in their daily lives. He put a lot of emphasis on the necessity of a healthy lifestyle in today's stressful times.

Beti Bachao, Beti Padhao

In order to curb female infanticide and promote girls' education, Government of India has spearheaded BETI BACHAO, BETI PADHАО ABHIYAN. To create awareness about this campaign, HPCA organised a match between Dayanand Public School and Government School for Girls just before the T20 World Cup Tournament. Dayanand School won the game. The winning team got a chance to enjoy India vs. England Women's match during women T20 world cup.

His fours & sixes

Anurag has a long association with the cricket administration across various platforms for over 15 years. His cricket journey began at 14 as a young player and he led the Punjab Under-16 team that won the All-India Vijay Merchant Trophy. He was a member of the Punjab Under-19 team and led North Zone Under-19 team. Both teams won the All-India Championship. At the age of 25, he was elected the HPCA President, the youngest person to head a state cricket association.

At BCCI, Anurag played a significant role from 2001-02 to 2004-05 as a National Junior Selector. He also served in various committees of the BCCI, including the IPC Governing Council.

In September 2011, he was elevated to the position of the BCCI Joint Secretary, whom his role primarily was to harness young talent and develop junior cricket.

In March 2015, Anurag was elected the Secretary General of the BCCI. During his tenure, the BCCI successfully organised the ICC World T20 2016 in India.

DHARAMSALA: Taking forward the campaign of Himachal Pradesh Cricket Association (HPCA), wherein it has given a slogan of 'Padhai bhi, Safai bhi' to the award winning and India's best-selling author Chetan Bhagat and former BJP Chief Minister, Prem Kumar Dhumal, Arun Dhumal, son, led Swachh Marathon on Friday.

Held at HPCA Stadium, Dharamshala, over 500 students from various schools from Kangra, Hamirpur, Una and Chamba district participated in the event.

Anurag to continue as HPCA president

THIMMAMALA, MAY 22

Hanipur MP Anurag Thakur will continue as the president of the Himachal Pradesh Cricket Association (HPCA) even after taking over as the president of the Board of Control for Cricket in India (BCCI).

HPCA spokesperson Sanjay Sharma today allayed all speculations regarding his resigning as the president of the state cricket body.

He said since the Lodha Committee recommendations had not been implemented, there was no need for Anurag Thakur to resign as the HPCA president.

Sanjay said it was a matter of pride that Anurag had been elected as the president of the BCCI. His elevation would prove to be of immense benefit to the

state and its players.

Anurag had helped in bringing up international standard stadiums and cricket academies in the state. The infrastructure had started yielding results and many players from Himachal were adopting cricket as a profession, he said.

He said Anurag was dedicated and focused on creating modern infrastructure in the state.

The Thakur-administered HPCA has developed five stadiums, including a world-class sheepskin stadium in Dharamsala, and one cricket academy in the state capital, he added.

Earlier, the speculations were rife that Anurag would resign as the HPCA president after elevation as the BCCI president.

Anurag: Politics in bloom

NEW DELHI: The young president in independent India, Anurag Thakur has taken the reins of the world cricketing body after fighting an existence against a competing tiring recommendation by the Supreme Court.

It will certainly not be 'roses' for the thirtieth Lok Sabha MP from Haryana's Hamirpur as he is expected to be in office till September, 2017 and turbulent times lie ahead for him in foreseeable future.

In case the Lodha Committee recommendations are implemented, Thakur will have to wait for three years as a mandatory cooling off period. This makes it a really intriguing coming few months with Thakur in the Hot Seat

as his chest and taking his own time before arriving at a decision. A case in point may be the wait for India's next chief coach after Ravi Shastri's contract expired at the end of the World T20. Thakur has not yet divulged who will be Shastri's successor.

But he has his own set of accomplishments too. A stadium at Dharamsala on the lap of the scenic Dhauladhar Range is arguably the most beautiful venue in India.

PALAMPUR: Senior BJP leader Shanta Kumar today congratulated Hanipur MP Anurag Thakur at a ceremony organised here.

The president of the Board of Control for Cricket in India (BCCI), Shant Kumar said, "Today achieved new heights and I thank the rich and great body of the BCCI. Anurag is a committed and dynamic leader of Dharamsala thoughts throughout the globe."
